## CANNON AND THE NEGRO.

His Record Reviewed by The Chicago Conservator for The Enlightenment of The New York Age—A fact Sheet.

In one of its recent issues, the New York Age facetiously inquired:—"Has any one ever had the temerity to even mildly claim that Speaker Cannon had ever said or done anything for the Negro?" We are charitable enough to conclude that our contemporary knew a little more about Illinois's favorite son in relation to how he has stood anent the Negro than it cared to reveal. Either this is true, or else in its blind eagerness to mount the Taft band wagon the Age did not take time to consult history. Our mission is to enlighten those whose are in darkness, therefore the attention of the Age is respectfully called to these facts regarding Mr. Cannon:—His investigation of the Alabama infamous Ku Klux Klan in 1875 and the report thereon to the Forty-third Congress in which the political condition of the Negro was described to the country; his speech in the Fifty-first Congress—the most stirring appeal made on the subject—for the passage of the Federal Election bill, an act designed to guarantee the vote of every citizen, white and black alike, to cast an untrammelled ballot and have it counted as cast; his employment as Speaker of the House of Representatives of Joseph E. Johnson a Negro, as his personal stenographer; his high tribute paid the Negro race—matter of record—when, as chairman of the National Convention of 1904, he introduced Mr. Harry Cummins, a Negro of Baltimore, Maryland, to the convention. We hope these facts—and we can cite more, if desired—answer to the satisfaction of the Age its cunning inquiry. And now, in order that the Age may indignantly rise to the defense of Secretary Taft, the Conservator would like to know, if anybody anywhere ever heard the "hair-apparent" say anything about the Negro people that was not actually or impliedly against them. We pause for a reply. —Chicago Conservator.

### A Unique Colored Man.

We wish to congratulate John C. Minkins of Providence upon achieving a unique distinction. We believe he is the only Colored man who is the managing editor of a white man's newspaper.

Coming from Virginia 16 years ago at the age of 23, he has risen until he is recognized as a capable newspaper man and for 5 months he has run the Pawtucket, R. I., News-Democrat. At his 39th birthday celebration on the 30th ultimo many of the most prominent public men and politicians of Rhode Island were present as guest, including the attorney-general of the state and the mayor of the city.

To be sure, Mr. Minkins' complexion is practically white, but he is known to be a Colored man. —Boston Guardian.

## Heart Troubles

The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, anxiety, nervousness, rheumatism, etc. weaken the heart. The result is shortness of breath, palpitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

"I had LaGrippe last fall as I thought in a mild form. I was weak, tired, feeling and short of breath; could hardly go about, and a good deal of the time sort of an asthmatic breathing, and extremely nervous. I began taking Dr. Miles' Heart Cure and Nervine and now I feel so much better in every way. I am so thankful that I began taking this medicine, and shall not hesitate to tell others how much good it has done me."
